SUBJECT: NCLB Report Card

Section 1111(h)(2) of the No Child Left Behind Act (NCLB) requires that each LEA that received Title I, Part A funding to disseminate specific LEA (district) and campus level data to (1) all LEA campuses, (2) parents of all enrolled students, and (3) to make the information widely available through public means such as posting on the Internet, distribution to the media, or distribution through public agencies.

1. The School Report Card distributed in the Fall of 2008 includes assessment results in the aggregate and disaggregated by race, ethnicity, English proficiency, and economically disadvantaged: by performance level; showing two-year trend data for each subject and grade tested; with a comparison between annual objectives and actual performance for each student group; and including the percentage of each group of students not tested.

2. The School Report Card distributed in the fall of 2008 includes graduation rates for secondary school students. <http://ritter.tea.state.tx.us/perfreport/src/2008/campus.srch.html>
3. The AYP section of the School Report Card distributed in the fall of 2008 includes the performance of the district on adequate yearly progress measures. Miami ISD met AYP. <http://ritter.tea.state.tx.us/ayp/2008/index.html>
4. There are no Title I schools in this district identified as in need of improvement.
5. The percentage of teachers in this district teaching with emergency or provisional credentials is 4%, and the percentage of classes in this district that are not taught by highly qualified teachers is 0%; therefore, 100% of Miami ISD classes are taught by Highly Qualified teachers. Because this district is a single attendance district, a comparison between high- and low-poverty schools does not apply.

This information is posted on the district web site, and a copy is available at the school administration office. IF YOU WISH TO HAVE A PAPER COPY OF THIS NCLB REPORT CARD IN ITS ENTIRETY, PLEASE REQUEST ONE FROM THE SUPERINTENDENT'S OFFICE.
